

DA-858

Guy Hollyday House
East side of Wheeler Lane north of
Gerber Lane
Not accessible
1956

This rambling, T-shaped house with brick and frame walls and slate roofs is traditional but not stylistic in character, relying upon the varying unit heights and carefully placed openings to produce an informal home for country living. Contemporary dwellings are not abundant in this district, and this one is well-designed and does not intrude on the natural openness of its rural setting. The architect was Mrs. Hollyday's brother, L. McLane Fisher, AIA.
